### D100 TRINKET

1. An old and rusty axe head.
2. A set of small tools with no discernable purpose.
3. A bright green pair of wool earmuffs.
4. A walking stick that glows in the dark.
5. A small sack full of dried mushrooms.
6. A detailed map of nearby ruins.
7. A ceramic beer stein adorned with depictions of lions and wolves.
8. A shaving and beard trimming kit in a tooled leather pouch.
9. A small albino cave lizard, trained to hide when it hears new voices.
10. A carving knife bearing the maker's mark of a famous dwarven smith.
11. A copper crown etched with the dwarven runes for the word "fool."
12. A small wooden box containing an intricate clockwork mechanism of unknown purpose.
13. A manuscript recounting the memories of a dying dwarf.
14. A metal flask half-full of whiskey.
15. Well-used blacksmith's tongs.
16. A cloth patch bearing the coat of arms of a great dwarven clan.
17. An oboe-like wind instrument made of dark varnished wood.
18. An iron paperweight in the shape of a fist.
19. A scroll describing a lost dwarven city beneath a far off mountain range.
20. A steel helmet for a dwarven child.
21. A quill fashioned from the leg of a giant cave spider.
22. A cloth sack containing a disassembled bronze ball bearing with twenty tiny balls.
23. The sheet music for a dwarven choral chant.
24. A few pages from a book on dwarven stone masonry.
25. A solid steel rolling pin.
26. A crossbow bolt with a known criminal's name carved into it.
27. A mercury-filled crafter's level.
28. A brass box with a hidden compartment on its underside.
29. A tiny iron anvil, used in certain religious and civic ceremonies among the dwarves.
30. A steel thermos filled with stew.
31. A telescoping spyglass missing its lenses.
32. A leather eye patch.
33. A tin bugle.
34. Parchment covered in arithmetic and design doodles for a carpentry project.
35. A dwarf-sized corset.
36. A silver tooth etched with the dwarven rune for good fortune.
37. A candle made from a very smelly wax.
38. Dwarven long undergarments.
39. A collapsible wooden stool.
40. A lock of braided red hair.
41. A bag full of luminescent moss.
42. The wax imprint of an important looking key.
43. A macramé vest of dyed black leather.
44. A goblet made of thick green glass.
45. A rusty steel tent piton.
46. A wooden ring inlaid with silver knot patterns.
47. An ash-covered smoking pipe.
48. A whittled deer figurine.
49. A bent chisel.
50. A somewhat ornate fire poker.
51. A stained barkeep's apron.
52. A blown glass ball with a tiny hammer encased inside.
53. The broken tip off a dwarf-crafted spear.
54. A sizeable strip of unbearably spicy jerky.
55. A leather harness for carrying multiple throwing axes.
56. A recipe for mushroom ale, carved into a wooden plank.

## D100 TRINKET

57. A large broken padlock.
58. A set of six colored inks in stoppered vials.
59. A portable metal cooking fire grill.
60. A small glass bottle of oil for maintaining leather.
61. A few pinches of a dust that reveals the presence of precious metals when sprinkled into the air.
62. A glowing tankard, enchanted to keep liquids cold.
63. A scrap from an intricate dwarven tapestry.
64. A box full of oily brass gears.
65. A child-sized kaleidoscope.
66. Three large chain links.
67. A mushroom in a plant pot.
68. A trowel inscribed with a craft guild oath.
69. A small tin of mustache wax.
70. A box of 11 cigars.
71. A massive belt buckle, covered in runes.
72. A greataxe made of unsharpened wood [-6 damage].
73. A monogrammed handkerchief, somewhat soiled.
74. A side-view map, depicting the relative depths of various underground cities on the continent.
75. A blindfold embroidered with the dwarven rune for good fortune at sea.
76. The seat from a bar stool.
77. A wooden box made to hold and display a ring.
78. A green vest with a monocle attached by a string.
79. A miniature granite bust of a famous dwarven bard.
80. A torn hexagonal-patch quilt.
81. A pocket-sized chest with a tiny key.
82. A soap carving of a beautiful dwarf woman.
83. Seven brass buttons and a knotted clump of green thread.
84. A crystal flecked stone with magnetic properties.
85. The hymn book for a dwarven religious temple.
86. Five well-crafted carpentry nails.
87. Dwarf-proportioned pantaloons that reek of liquor.
88. A rough chunk of stone that is perfectly black, reflecting no light on any of its surfaces.
89. A petrified egg the size of a person's head.
90. A boot with many tiny spikes on the sole.
91. A velvet bag full of stone marbles.
92. Eight long sausages in a copper pot.
93. A metal vial containing a tincture that repels cats.
94. A coal stained scarf.
95. One side of a merchant's scale.
96. A cloth painting of a legendary warhammer.
97. A leather ball used in dwarven sports.
98. A tiny horsehair paintbrush.
99. A short dwarven-to-elvish phrasebook.
100. A dog collar made of the finest leather.
